Your tour is guided. You and your guests will have the opportunity to visit areas that our general public is not able to see. This will include our keg-filling operation and our newest, most efficient and cost-effective bottling line. As with our general tours, you will also be escorted through our brew house operation and our unique historic Caves. Your tour will conclude in the Miller Inn with ice-cold product samples for those 21 and over (all guests required to bring a valid ID). The tour involves 4 blocks of outdoor and indoor walking and lasts about 1 ½ hours. In case of rain, visitors will be provided rain ponchos. We do have parking facilities available for buses and cars.

Our Girl in The Moon Brewery Shop is open from 10:00 a.m. to 5:00 p.m. during the winter and 10:00 a.m. -6:00 p.m. during the summer. The shop is located in the Visitor Center and carries a variety of MillerCoors branded merchandise.
